## THE PRINCIPAL'S PAGE

### 'Tis the Season for Caring

The holiday season is a time to remember what is truly important in our lives. From the warmth of fond memories to the challenges of our New Year's resolutions, the holiday season is a time for caring and sharing.

I for one would like to tell every parent, student, staff member, and all who make up the extended family that supports Friendly Hills how much I care for you. It is an honor to be the principal of this school. Thank you. Now, let me share some of the exciting happenings at school this month.

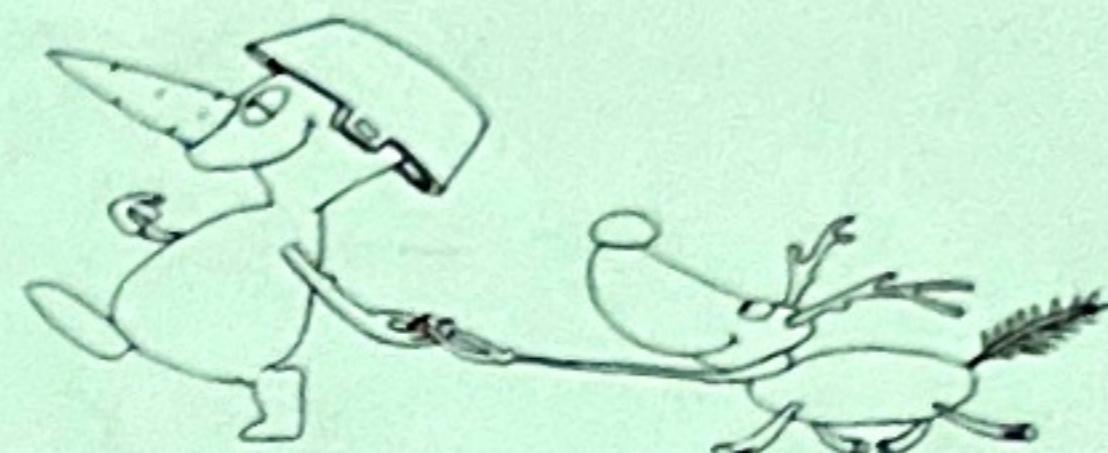

Quarterly awards will be handed out on Tuesday, December 2nd. Please come to school and recognize all of our academic achievers. They deserve it!

To welcome in the holiday season and old man winter himself, our annual Family Reading Night will take place on December 4th from 6:30-8:00. This sensational celebration will be a wonderful time for all. Don't forget your PJs!!!

On December 8th, FHES will

be hosting Administrative Council. This means that all district administrators will be lucky enough to see the exemplary job that everyone at FHES does on a daily basis.

December 12th is one of many days that make FHES the special place that it is. We will be hosting our traditional Paddington's Parade. This event encourages students to take part in the kind and giving aspects of the holiday season. Each child will have

visit from a very special man dressed in red. In return, students are encouraged to bring a new and unwrapped present to donate to Unity Home.

Please take time this December to cherish your family. Words cannot express my gratitude for the opportunity to work with your children. They are the soul of this school, the future of this community, and real angels.

**PARKING LOT CAUTION-**

Our children, your children, everyone's children are precious and important to us. Please, please be cautious while entering and leaving the school parking lot.

If you drop your child off in the morning, please pull forward, drop off your child and continue through the lot. If you would like to watch them as they enter the grounds, please park your car in a space so that others may continue to pull forward.

Please keep driving speeds to a minimum and all your senses on alert. The child we all protect may be one of yours!

THANK YOU!

*Merry Christmas  
 And a Happy  
 New Year!*

## FRIENDLY HILLS ELEMENTARY ASSOCIATION

As you read this newsletter, our parent group's most successful fundraiser of the year will have finished. Please remember that your See's candy money and/or any unsold candy was due by December 3. When all monies are turned in, we anticipate a profit of over \$5000! Many thanks to all the families who participated in this worthwhile cause to help insure every class at least one fieldtrip this year.

As the holidays approach, don't forget a special Saturday coming up the 6th of December. Our annual Craft and Book Fair will be in full swing from 9 am - 2 pm. You'll be able to shop the fair, dine at the First Grade snack bar, take pictures with Santa and have a wonderfully memorable day. Don't forget that books make terrific gifts all year long.

### News from the Library...

November 13, 14 and 15 I went to the CSLA conference in Ontario, California. I came back with books signed by authors and illustrators for our students and some super ideas for our library program. I would like to share with you, as I did with our students, some of the authors and illustrators I met.

Richard Peck signed two of our library books, A Year Down Under, a Newbery winner, and Fair Weather. He signed "For Friendly Hills Readers, Richard Peck, November 15th, 2003" on both books.

Ben Mikaelson signed two new books for us. Countdown, he signed "To the Students at Friendly Hills, Be Different, Ben Mikaelson". Ben Mikaelson also wrote Touch of the Spirit Bear. He also gave us background information on each of the books that he wrote. He is just wonderful!

The Boy Who Saved Baseball by John H. Ritter also signed this book for us, "To the Great Readers at Friendly Hills Elementary! My best, John H. Ritter". Mr. Ritter's favorite subject is baseball. He said he wanted to be a pro baseball player but he couldn't hit a curve ball.

Joan Bramsfield Graham signed her poetry book Flicker Flash as did the illustrator, Diane Greenseid. She wrote in our book, When The Pigs Took Over, "To Friendly Hills Elementary School, Happy Reading to You", and drew a pig!!!

Well, I guess you can tell I came back full of enthusiasm! Books are just wonderful!

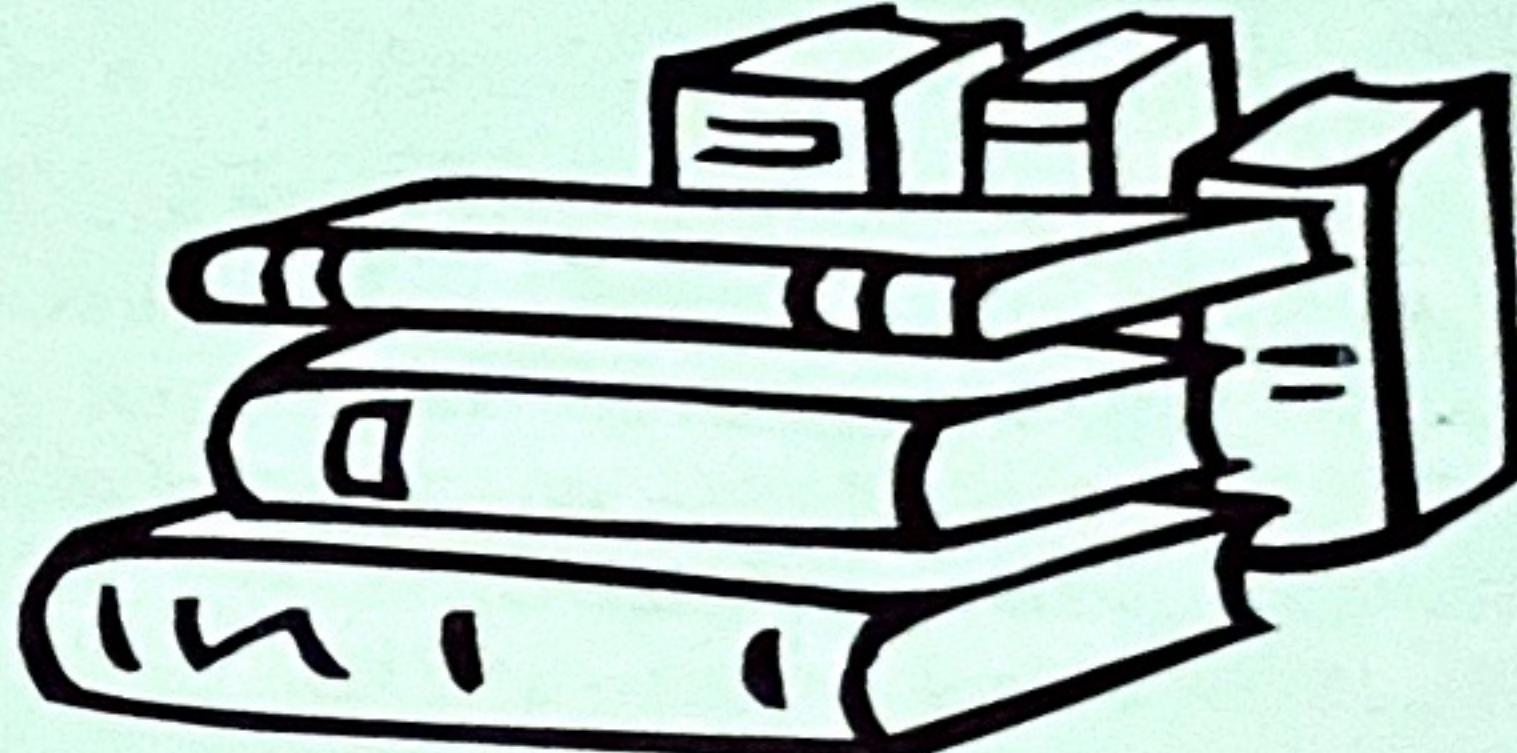

I am interested in the future, for that is where I expect to spend the rest of my life.

The next meeting of this outstanding group will be Tuesday, December 9 at 6:30 p.m.

I'm thankful for my friends. My friends help me with things like helping me fix my bicycle. My friends help me to calm down when I am angry.

If it were not for the Pilgrims and the Indians, we wouldn't have Thanksgiving. If Thanksgiving weren't discovered, I wouldn't know what I would do with myself. I would be missing out eating the turkey, yams, cranberry sauce and sweet potatoes. I would be missing out eating cookies, pumpkin pie, apple pie and corn on the cob. I would be missing out on everything. I'm very happy that my mom is coming home before Thanksgiving.

## Our Story

*Friendly Hills School was founded in 1988 as part of the Morongo Unified School District. Since its inception, the school has been instrumental in the education of more than 4000 students. Our first kindergarten class graduated from high school in the year 2000. We are confident that those students and all who will follow, leave this school with a strong well rounded education. Our tradition has been one of academic excellence, high student expectations and an education rich in the arts. As we move into the future, Friendly Hills continues to lead in these areas as well as emerging as an innovator in the area of technology. We attribute our success to a talented, dedicated staff, caring parents and wonderful students.*

## SCHOOL BASED MANAGEMENT COUNCIL NEWS

The Site Based Management Council met on November 13, 2003. The content of the meet-

*Life affords no greater responsibility, no greater privilege, than the raising of the next generation.*

ing included reviewing the current budgetary status at Friendly Hills. We reviewed and altered the budget for our carry over money from the Governor's Performance Award. Unanimous approval was given to the new budget which includes hardware and

software purchases to augment the already effective instruction at Friendly Hills. The meet-

ing was also a forum for spreading the good news about our elementary math scores. Our 2nd through 6th grade students did very well on the district-wide interim math assessments. Hooray for the staff and students!

If you see any members of this council about town, please feel free to ask them about our meetings. I would like to thank all of them!
